RE: Walker Iron Mine S/021/038

In Reply Please Refer to Case Number: 06-0007

Dear Ms Berry:

The Utah State Historic Preservation Office has received the information referenced above. Thank you for allowing us an opportunity to comment. Due to workload and personnel constraints, we are unable to respond fully to all requests for comment at this time. We have no comment to offer with respect to this undertaking.

The undertaking may proceed under federal regulations following the provisions of §36CFR800.3(c)(4) or under the appropriate State of Utah agency administrative rules.

This information is provided on request to assist with federal and state responsibilities as specified in statute, regulation and administrative rule.

Sincerely,

/s/

Wilson G. Martin  
Utah State Historic Preservation Officer
